Johnson Controls did not make any independent political expenditures in support of or in opposition to a candidate or corporate contributions to any state or local candidates for office. In addition, Johnson Controls did not make payments to influence the outcome of ballot measures.

- (1) Includes payments to national 501(c)(3) organizations whose mission is to provide venues for the exchange of ideas on matters of public policy.
- (2) Includes trade associations (i) to which Johnson Controls made payments greater than \$25,000 for 2021 dues and (ii) which notified Johnson Controls of the portion used by that organization for expenditures or contributions that if made directly by Johnson Controls would not be deductible under section 162(e) of the Internal Revenue Code.
- (3) Reported amount represents the estimated portion of Johnson Controls' dues or payment that if made directly by Johnson Controls would not be deductible under section 162(e) of the Internal Revenue Code and is based upon information requested and received by Johnson Controls. Reported amounts do not include amounts for which the trade association directly pays tax on the portion that is not deductible under section 162(e) of the Internal Revenue Code.
